It is a pleasure to welcome you to the third edition of the TWA Telegraph! In this edition you can meet our Chair of Governors, some of the staff and students of TWA and learn a little about them!

This edition marks the start of our second term at TWA and a new academic year! We have had a number of new students join us and next half term our multi use gym and sports centre will be completed and ready for students to use!

As you will see from this edition of the TWA Telegraph, we've had a packed half term with lots going on!

I wanted to take this opportunity to wish you and your families a safe and happy October half term and look forward to our first Christmas at TWA!

Best wishes

Paul

Meet the Chair of Governors

John has spent most of his working life in Industry as a Senior Manager. John has been a Governor for 6 years and has had involvement with young people in the past through sports coaching.

John is fully committed to working with parents and staff to create a school environment in which everyone feels they belong and provide the very best for the children.

Meet a member of staff

I'm Annie, the current year 6 teacher. I am an Early Career Teacher having just started my second year of teaching. I have been at The Warwickshire Academy since September 2021 and it has been

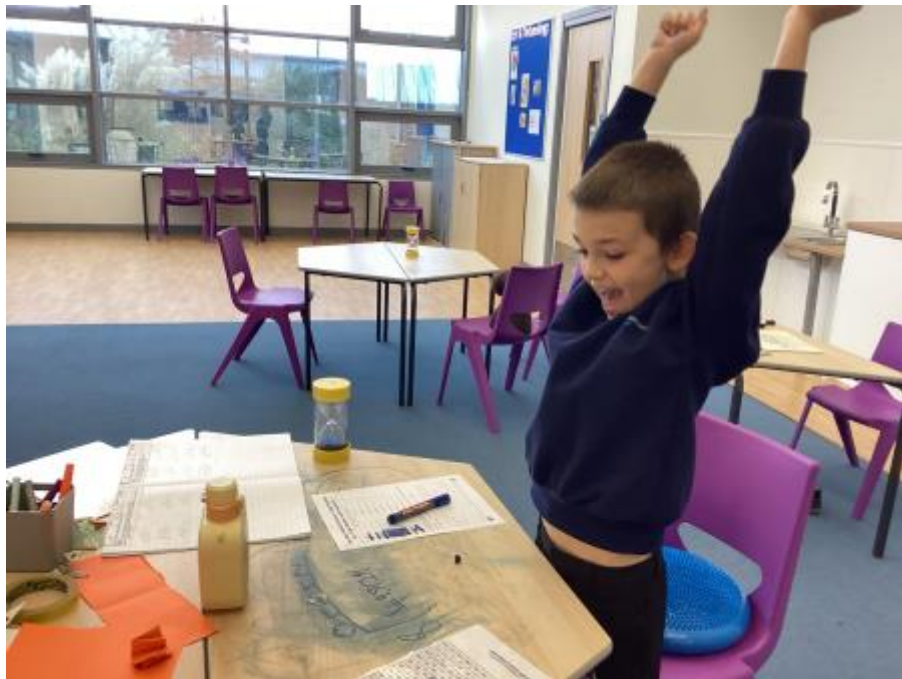

great being part of the journey of TWA opening and seeing how it has grown already. I enjoy baking, travelling to new places and was a gymnast and gymnastics coach. I have loved seeing the progress our pupils have already made and look forward to continuing to support and watch our pupils succeeding.

Meet a student

In this edition of the TWA Telegraph we are meeting Harvey one of our new students that started in September.

"My name is Harvey and I am in Year 6 at TWA. I like cars, watching TV and baking. I think TWA is awesome and my time at TWA so far has been fun. At school I enjoy learning and playing with my cars and my favourite subject in school is food technology. My favourite activities we have done so far have been baking, pumpkin carving and Halloween crafts. In my free time I like fixing my mini cars. My work that I am most proud of is my newspaper report about pumpkin carving and my division work in maths. My best friend Elmo sleeps at school and helps me to do my work".

A spooky time at TWA!

Staff and students at TWA have had a spooktacular time carving and painting pumpkins ready for Halloween!

We were really grateful to have lots of pumpkins donated to the school and special thanks to Sow Mulch Grow for donating them to us! Find them on Instagram @sowmulchgrow

Children took part in an afternoon of fun where they were able to go outside and pick a pumpkin from our outdoor area. Children then all worked together in the dining room where they used carving utensils to carve their pumpkin ready for them to take home. In Literacy the following day, children will write a recount/ diary entry all about what they have done.

Macmillan Coffee Morning

On the 21st of October 2022 TWA hosted their first ever Macmillian Coffee Morning. Macmillan provide amazing support to those with cancer.

Staff and students made cakes and decorated the school and it was great to welcome parents and carers to join us too!

Become a Parent Governor

As a new school not only are we growing our number of students, but our Local Governing Board is growing too! We currently have 2 Parent Governor vacancies on the LGB.

The role of a Parent Governor is important in the life and development of TWA. Your commitment would be to attend two meetings each term and to read the papers. Of course, you will be a welcome figure within the school at any time, and most Governors commit to one or two visits per year.

A letter with a nomination form has been sent to all parents with further details of how to apply to become part of our Local Governing Board
