## Welcome from the Headteacher

---

*It is a pleasure to welcome you to the first edition of the TWA Telegraph! In this edition we have captured some of the key moments that have happened in the 5 short weeks that we have been open and it really is a credit to all of the staff and students at The Warwickshire Academy what we have achieved so far!*

*Students have truly embraced their new school and are making the best of the opportunities they have as well as making new friends from across all age groups in the school.*

*As you will see in this edition of the Telegraph, we haven't stood still since we've opened and we are really pleased that the students are already coming up with great ideas of what they would like to do and how we can grow together.*
