1. Introduction

- 1.1. This policy statement sets out the Academy's arrangements for managing the access of providers to learners at the Academy for the purpose of giving them information about the provider's education or training offer. This complies with the Academy's legal obligations under Section 42B of the Education Act 1997.

2. Learner Entitlement

- 2.1. Learners in KS3 – KS5 are entitled:

- To find out about technical education qualifications and inclusive apprenticeships opportunities, as part of the careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and inclusive apprenticeships through outcome and pathway events, group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

3. Management of provider access requests

- 3.1. A provider wishing to request access should contact either:

Rachel Stopher-Murray, Assistant Head teacher

Email: enquiries@wa.thrive.ac

Or

Katrina Jones, Office Manager

Email: enquiries@wa.thrive.ac

4. Opportunities for access

- 4.1. Our Careers programme will be delivered as an integral part of our curriculum. We will offer learners exposure to a range of career choices. Opportunities for providers to speak to learners and/or their parents will be facilitated in line with our CEIAG policy. This will equip learners and their families with the knowledge and tools to make informed choices about next steps towards future employment.

The information below demonstrates an intent. The Warwickshire Academy is a new school with no current year 8 or above intake. As the new offer and curriculum embeds so the content below will develop and change.
